Wrongful Death Lawsuits If a loved one has been wrongfully killed, and you are a spouse, immediate family member, dependent, or beneficiary, you have legal rights. Serving greater Southwest Florida, including Sarasota, a personal injury lawyer who handles wrongful death cases from our law firm can review your case and determine the best way to protect your rights. We have an unwavering dedication to our clients, and we will commit ourselves to securing just and fair financial compensation for your family.

In the event of a wrongful death, the liable parties are responsible for compensating the victim's family. Depending on the circumstances of the case, you may be eligible to receive compensation for medical costs, funerary costs, loss of income (including future wages), pain and suffering, and the loss of support and companionship. At Lutz, Bobo & Telfair, P.A., we understand how devastating the loss of a family member can be, and we are dedicated to helping people who are struggling through such a tragic experience.

Common Causes of Wrongful Death At our Sarasota-area law firm, a personal injury lawyer who handles wrongful death cases can review your claim and help determine your eligibility for compensation. Any of the following common causes of wrongful death may be grounds for a lawsuit:

- Auto accidents
- Trucking accidents
- Motorcycle accidents
- Medical malpractice
- Nursing home abuse
- Defective products
- Defective drugs
- Dangerous properties (slip and fall accidents and drowning incidents, for example)
- Workplace accidents
- Boating accidents
- Aviation accidents

At Lutz, Bobo & Telfair, P.A., our attorneys understand the law and have extensive experience in wrongful death litigation. You can rest assured that our lawyers will always work with your best interests in mind.
