

Defective Drugs

If you have been harmed or a loved one has been killed as a result of a dangerous and defective pharmaceutical product, the experienced and compassionate personal injury attorneys at Lutz, Bobo & Telfair, P.A., can help. Pharmaceutical companies have a responsibility to ensure that the drugs they manufacture and sell are safe for the public. If a defective drug causes an illness or death, a personal injury attorney from our Sarasota law firm can help you to file a product liability claim or a wrongful death claim against the liable party. It is important to remember that if you have been injured as a result of an outside party's negligent or careless actions, you have legal recourse. To schedule a free consultation with a Sarasota and Bradenton-area personal injury attorney, contact our law firm today.
